

WE NEED YOU!

Emerson Global Users Exchange is soliciting candidates to serve on the BOARD OF DIRECTORS

Emerson Global Users Exchange Board of Directors

serve an important role in planning and guiding the direction of Emerson Exchange. The board consists of up to twenty (20) voting members, up to thirteen (13) of which are end-users representing a variety of process industries.

Emerson Global Users Exchange also has an Advisory Board which serves to provide support to the Board of Directors. The Advisory Board consists of non-voting members appointed by the Executive Committee. Advisory Board members participate in all Board meetings and events.

Qualifications:

The board is looking for candidates who meet the following criteria:

- Attendee at one or more previous Emerson Exchange conferences
- Current user of Emerson automation products and services
- Ability to serve a term of four (4) years by mutual agreement between the Director and the Executive Committee.

Charter

This non-profit organization is chartered to provide a forum for the open exchange of non-proprietary information among the users and Emerson Automation Solutions with an emphasis on the enabling technologies and the solutions and services of Emerson Automation Solutions.

The full text of the Emerson Global Users Exchange Charter can be found on the website at EmersonExchange.org/Americas/Charter

Member Benefits

Each member has the opportunity to develop and extend their management skills by participating in one of the largest and most successful conferences run by end-users.

Education—Specific assignments while on the Board will allow you to network with other leaders in the process industry and gain valuable knowledge that can be used for problem-solving in your organization.

Networking—Members have the opportunity to interface directly with key members of the Emerson Automation Solutions Leadership team as well as technology leaders from all Emerson Automation Solutions business units. These contacts provide a unique avenue for submitting ideas and opinions on process control needs in your industry.

Savings—Board Members will have their conference registration fee waived.

Member Responsibilities

All Board Members should be willing to serve the full duration of their term and must communicate their respective management's sponsorship and commitment. Members are expected to:

- Attend each board meeting and serve as representatives of their industry. There are three to four 'face-to-face' board meetings per year lasting one and a half days each at various Emerson and conference site locations. Travel costs are the responsibility of the individual board members.
- Additional meetings are conducted via teleconference.
- Members serve on one or more committees involved in planning the Emerson Exchange conference. Additional time may be required to fulfill committee related obligations.

INTERESTED?

Please submit a resume of your professional experience, education and technical community membership online at www.EmersonExchange.org/Americas/Board. The resume should include which Emerson products you work with, as well as the end product(s) produced at your work site. If selected, candidate must provide a letter of commitment from his/her immediate manager. For additional questions and comments, please email EmersonExchange@Emerson.com.
